

**"A Billion Of My Closest Friends
Are Partying On Your Hands."** – Germ

Are You Washing Your Hands Properly?

Put It To The **GlitterBug®** Test.

Apply invisible GlitterBug® lotion to your hands.

Wash as usual with soap and water.

Hands are clean. Right?

The areas you missed glow brightly under the special GlitterBug® Disclosing Lamp.

Infection Control Is Serious Business,

but that doesn't stop Brevis from making it fun. The GlitterBug® Handwash Show is a complete, interactive presentation that teaches the fundamentals of proper handwashing in an unforgettably entertaining way. Areas missed in routine handwashing fluoresce a bright bluish-white color under the special GlitterBug® lamp.
